## DETAILED ACTION

### *Response to Amendment*

1. The reply filed on 11/17/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s).

The response to the "Request for Information" concerning the origin/derivation of the equation/formula described in the specification at p.7, last paragraph and p.8, as well as in Claim 11, has not been answered. Applicant's response is only a reiteration of what the terms of the formula mean, and that it forms the basis of Applicant's invention. Again, this response does not provide for the origins and/or derivation of the equation. This includes, but is not limited to, for example, how the equation was mathematically derived, (for example, was it the result of integration of another function), and what led the Applicant to formulate the equation using these particular terms. The answer to this request will be helpful to the Examiner in better understanding Applicant's invention so as to create a more targeted search.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
